The Full Cycle® Line of Daycon products are Green Seal™ certified

Full Cycle® Products are certified by Green Seal™ for Environmental Innovation based on faster biodegradation in landfill conditions and 100% recycled content/natural fiber. GreenSeal.org/GS20

High Quality and Performance

With Daycon floor pads, you don't have to sacrifice quality or product performance to leave a green footprint. Full Cycle® innovative technology does not modify core pad formulation. Our products have the same high quality and product performance along with the consistency that customers have come to expect from Daycon.

Stripping Pads

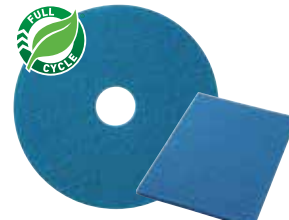

- Black Heavy Duty**
Heavy duty stripping pad
- For tough stripping applications
 - Aggressive removal of burnished floor finish
 - For use on oscillating machines or rotary machines up to 350 rpm

- Black Stripping**
Very aggressive stripping pad
- Wet stripping applications
 - Aggressive removal of dirt and old finish buildup
 - Recommended for use on machines up to 350rpm

- Green Scrub**
Scrub pad
- For deep wet scrubbing or light stripping
 - Aggressively removes dirt and scuff marks from heavily soiled floors
 - Recommended for use on machines up to 350rpm

- Blue Clean**
Cleaner pad
- For light scrubbing or deep cleaning
 - Aggressively removes dirt and scuff marks from heavily soiled floors prior to recoating
 - For use on oscillating machines or rotary machines up to 350 rpm

Chemical Free

- Maroon EcoPrep "EPP"**
For wet or dry stripping and deep scrubbing
- Sustainable stripping with no need for harsh chemicals
 - For use on oscillating machines or rotary machines up to 350 rpm

- Red Buff**
Buffing and light cleaning pad
- For light daily cleaning and spray buffing
 - Removes light scuff marks and dirt while producing high gloss shine
 - Recommended for use on machines up to 800rpm

- Flamingo Auto Scrub**
- Ultimate performance when used with auto scrubbers
 - Cleans light dirt and scuff marks including black heel marks, preparing floors for burnishing
 - Recommended for use on machines up to 350rpm

- White Super Polish**
Super Polishing pad
- Extra fine pad for polishing clean, dry floors
 - Use dry or wet for a high gloss "wet look" to newly finished floors
 - Recommended for use on machines up to 3000rpm

Burnishing Pads

- Light Blue Burnishing**
Synthetic burnishing pad
- Ultra high speed burnishing ideal on all floor finishes
 - Suited for top dressing highly polished floors
 - Recommended for use on machines up to 3000rpm

- Remover Burnishing**
Effective removal of black marks
- Ideal on soft to hard floor finishes
 - Removal of black marks and restoration of gloss in one pass
 - Recommended for use on machines up to 3000rpm

- Champagne Burnishing**
Amazing gloss in one pass
- Ideal on medium to hard floor finishes
 - Highly rubberized binder
 - For use on all UHS machines up to 3000 rpm

- Beige Ultra Hi Speed**
Very high gloss finish
- Recommended use on soft to medium finishes
 - Thermal burnishing and buffing. Use dry or with a restorer
 - For use on all UHS machines up to 3000 rpm

- Burnishing UHS**
Blended polyester and high amount of natural fibers
- Recommended use on higher solid and harder finishes
 - More aggressive pad used in infrequent burnishing for high gloss appearance
 - Recommended for use on machines up to 3000rpm

- Natural Ultra Hair Shine**
Blended polyester and natural fibers
- Recommended use on hard finishes
 - High gloss using it with ultra high speed machines
 - Recommended for use on machines up to 3000rpm

- Hair Pad**
Blended polyester and natural fibers
- For minimal thermal buffing and burnishing on hard finishes
 - Natural fibers produce "wet look" finish
 - For use on all UHS machines up to 3000 rpm

- CocoPad Burnishing**
Blended polyester and natural coconut fibers
- Naturally lubricating fiber with a pleasant fragrance
 - For frequent to moderate burnishing
 - Recommended for use on machines up to 3000rpm
