

DAYCON

Cleaning & Maintenance Supplies

SPECTRA SYSTEM 4

Dilution Control Systems

SPECTRA SYSTEM 4

Lower Maintenance Costs | Improve Cleaning Performance
Help Preserve the Environment

FEATURES

- Pre-installed metering tips set dilution ratios for usage & cost control
- Back flow protection including Flex-Gap™ & Aire-Gap™ prevention
- One-handed operation for bottle and bucket fill
- Solution is dispensed at a rate of 2.5 gpm
- Potential to earn up to 3 LEED points
- Spill-proof bottles

A Safer, Cleaner, & more Eco-Friendly Work Environment

- Safe & consistent control over dilution ratios and product dispensing - eliminates user error when mixing products by hand.
- Back flow prevention reduces cross-contamination.
- Works with a complete line of Daycon's Green Seal™ certified products.

Portable System

- Easy to use
- Small, lightweight, & portable
- Low cost
- Uses the same 64 oz. containers as the wall system
- Trigger-style handle
- Easily switch between product without cross contamination

Dilution Control Center

Dimensions: 20"W x 24.9"H x 6.6"D

Easy-to-use trigger for bucket, scrubber, and bulk filling.

A chemical Dilution System is an easy way to reduce maintenance costs, enhance cleaning performance, and conserve water and chemical. The Spectra System 4 utilizes patented technology providing accurate dilution without fear of cross-contamination.

Convenient, pre-installed tips decrease user error and increase product efficiency, saving time and money.

A wide selection of specially formulated concentrates, including Green Seal™ certified formulas, are available to meet your cleaning needs.

- Self contained, wall mounted cabinet
- Lock & key provided
- Rust-free, rugged, polyethylene construction
- Remote trigger fill
- Easy to install
- Fresh water dispensing available

One Hand Bottle & Bucket Fill

Safe Storage

SPECTRA SYSTEM 4 CONCENTRATED CHEMICALS

SPECTRA NO.	PRODUCT	APPLICATIONS	ITEM CODE	DILUTION RATIO	SIZE	CERTIFICATION	SECONDARY LABEL CODE*
401	CLEAR CHOICE Glass & Multi-Surface Cleaner	Use to clean glass, Plexiglas®, Lexan™, mirrors, metal, chrome, and other shiny surfaces	410401	1:64	0.5 Gal. (64 oz.)		142521
402	DEGREEZE Cleaner, Degreaser, & Emulsifier	Clean areas such as trash rooms, kitchens, garages, machine shops, warehouses, and anywhere grease and grime builds up. Great for removing exhaust, soot, and road film without solvents or strong alkalis.	410402	1:32	0.5 Gal. (64 oz.)		142522
404	SPECTRA SYSTEM 4 404 1:128 NEUTRAL DISINFECTANT	Effective against MDRO, MRSA, VISA, VRE, H1N1, Acinetobacter baumannii, Staphylococcus aureus, Avian Influenza A, SARS, Hepatitis B & C, Herpes Simplex Virus Type 1 & 2, HIV 1, etc. See label for complete list of kill claims.	410404	1:128	0.5 Gal. (64 oz.)	EPA Reg. No: 10324-155-12228	142523
405	RENEW Neutral Cleaner	Safe to use on unfinished marble, slate, and sealed wood. Safe for other surfaces in kitchens, classrooms, offices, common areas, and more. Great to use on finished floors as a neutralizing step.	410405	1:256	0.5 Gal. (64 oz.)		142524
406	TRIAD Encapsulating Carpet Cleaner	Use for carpet extraction, bonnet cleaning, and general purpose spotting. It is highly effective on oily types of soil as well as most other common soils and stains. Safe on all types of carpet.	410406	1:42	0.5 Gal. (64 oz.)	 	142525
407	VIBRANCE Mild Acid Restroom Cleaner	Use to remove lime, rust, soap scum, and grease. May be used on tub and tile, shower stalls, glass shower doors, bathroom fixtures, and grout.	410407	1:26	0.5 Gal. (64 oz.)		142526
410	SPECTRA SYSTEM 4 410 1:256 NEUTRAL DISINFECTANT	Effective against MDRO, MRSA, VISA, VRE, H1N1, Acinetobacter baumannii, Staphylococcus aureus, Avian Influenza A, SARS, Hepatitis B & C, Herpes Simplex Virus Type 1 & 2, HIV 1, etc. See label for complete list of kill claims.	401410	1:256	0.5 Gal. (64 oz.)	EPA Reg. No: 1839-167-12228	142533
411	MAINTAINER PLUS Floor Finish Maintainer	Use with a high or low speed floor machine for acrylic and acrylic/urethane floor finishes. It can be mopped on or sprayed onto the floor and used with an auto scrubber.	410411	1:64	0.5 Gal. (64 oz.)		142534
412	OXYSMART SC Glass & Multi-Surface Cleaner	Use to clean glass, Plexiglas®, Lexan™, mirrors, metal, chrome, and other shiny surfaces.	401412	1:128	0.5 Gal. (64 oz.)		142527
413	OXYSMART SC Floor Cleaner	Use to clean ceramic tile, stone, concrete, wood, and resilient flooring.	401413	1:128	0.5 Gal. (64 oz.)		142528
414	OXYSMART SC General Purpose Cleaner	Effective for cleaning counter tops, work areas/surfaces, tables, walls, door knobs, etc.	401414	1:64	0.5 Gal. (64 oz.)		142529
416	PERFECTO General Purpose Cleaner <i>Lavender Scent</i>	Removes dirt, oil, grease, food, beverage spills, and other soils from finished floor surfaces, walls, woodwork, counters, tables, marble, and wallpaper. Safe to use on unfinished marble, slate, and sealed wood.	410416	1:64	0.5 Gal. (64 oz.)		142532

These products meet Green Seal® Standard GS-37 or GS-53, as applicable, based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org. Green Seal is referenced as a requirement to meet in the Sustainable Cleaning Products and Materials section of the LEED for Existing Buildings: Operations & Maintenance Green Building Rating System.

The CRI's Seal of Approval program recognizes cleaning products and equipments that clean carpet efficiently the first time. The Environmental Protection Agency's Design for the Environment program to verify the Seal of Approval Cleaning products do not harm the environment.

*Secondary labels come in sets of four.
