Car Wash

Auto Cleaner and Shampoo

Description: Car Wash is a highly concentrated blend of detergents and water conditioners designed to remove tough road soils without dulling the finish, removing the wax, or causing water spots. This high-foaming product rinses easily and completely from the surface. Car Wash contains no alkali, abrasive, soap, or solvents. For use on cars, vans, trucks, trailers, and busses.

- Benefits:**
- Will not streak or spot
 - Completely biodegradable
 - Will not harm paint, polycoats, or waxes
 - Not corrosive to metal surfaces
 - 1 oz. per gallon is all that's needed for most jobs
 - Can be used in automatic or manual car washes
