# CLEAR CHOICE

## Glass and Multi-Surface Cleaner

### Description:

Clear Choice is an organic solvent-free, glass and multi-surface concentrated cleaner. It has been certified by Green Seal™ as meeting GS-37, Green Seal's environmental standard for Industrial and Institutional cleaners. It's excellent cleaning and non-streaking performance is the result of state-of-the-art thin film polymer technology. Clear Choice is especially good for cleaning glass, Plexiglas, Lexan, mirrors, metal, and other shiny surfaces. Clear Choice dries quickly and leaves the cleaned surface streak-free and squeaky clean. When diluted 16 parts water to 1 part product, it is designed to clean as a premium, glass and hard surface cleaner. Clear Choice is readily biodegradable and contains no solvents, phosphates, or other harsh chemicals.

**Green Seal Certification Statement:** This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

### Benefits:

- Green Seal Certified
- Biodegradable
- No VOCs
- Dries streak-free
- Contains no organic or chlorinated solvents, caustics or acids
- Can be used on multiple hard surfaces
- No Fragrance Added

### Specifications:

Appearance:	Clear liquid
Color:	Blue
Odor:	No fragrance added
Use Dilution:	1:16
Storage Stability:	Two year minimum in sealed container
Protective Clothing:	Neoprene or nitrile gloves. Splash proof safety goggles.
VOC's, % as is:	0.0
Product Conformance:	Manufactured by an ISO 9001:2015 registered company.

### Comment:

Improper use dilution may result in damage to surfaces and may increase the risk of health effects. Cleaning Performance: Excellent cleaner; dries streak and smear free. Biodegradability: Greater than 73% after 28 days.

### Directions:

This product is recommended to be used with cold water from the tap at a 1:16 dilution ratio or 8 oz. per gallon of water. When using product, plastic surfaces should

be wiped with soft, lint-free cloths or synthetic wipers. Paper hand towels can scratch plastic surfaces

**Product Disposal:**

This product is non-hazardous material. Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.
