Packaging:

1 Gal (4/cs) Item Code: DX66GAL

Date:

December 3, 2018

Description:

DX-66 is a super concentrated water-soluble deodorizing solution for use as a space spray, garbage area spray, or to be added to carpet cleaners, general purpose cleaners, pesticides, and laundry rinse cycles. DX-66 counteracts mal odors caused by sickness, human incontinence, animals, pets, sewage, garbage, fats, oils, fermentation, decay, cooking, fire, smoke, cigars, cigarettes, liquor, beer, paint, chemicals, etc. DX-66 is a blend of natural and synthetic odorants and deodorizing chemicals. DX-66 can be mixed safely with all other cleaning solutions. Can be used in full concentration or mixed with water. Will not stain.

Benefits:

- Fresh pleasant lingering fragrance
- Can be mixed with all cleaning solutions
- Highly concentrated; needs one ounce per gallon for deodorizing
- Mixes easily with water
- Will not stain

Product Disposal:

This product is non-hazardous material. Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.

Directions:

Use DX-66 in full concentration or dilute with water.

Undiluted – For waste baskets and garbage cans: Squirt a few drops in daily. For Human Incontinence, Pet Accidents, Decay: Spray on waste to make cleanup more pleasant. Clean area with detergent solution containing DX-66. For Hotels, Motels: Spray on bath mats, shower curtains, air conditioning filters, etc. For Hospitals, Nursing Homes: Spray on hospital waste, bed pans, commodes, dirty linens, etc.

Diluted – For cleaning carpet, sinks, drains and portable toilets: Dilute DX-66 at 1 ounce per gallon. Always check fabrics first for color fastness.
