FAST BREAK

Sports Floor Coating

Description:

Fast Break is a state-of-the-art wood floor coating for gymnasiums, racquetball courts, aerobic floors, multipurpose rooms, and store or residential wood floors. It is a one component self cross linking waterborne acrylic coating which gives the ultimate performance in gloss and durability. Fast Break is a high solid, rapid cure system which is easy to work with and eliminates downtime during application. Another major benefit of Fast Break is the elimination of any paneling effect on new wood floors, thus eliminating the necessity of treating new floors with a solvent based system before using a water-based system. Fast Break may also be burnished with a beige pad, which will further extend the life of the coating.

Benefits:

- Waterborne
- Self Cross linking (Eliminates the need for a second component)
- Fast Drying
- Quickly Reaches a Full Cure
- Can be Burnished
- No VOC Content
- Ease of Application

Specifications:

Appearance:	Opaque liquid
Color:	White
Odor:	Mild
Specific Gravity:	1.029
pH: as is :	8.0-9.1
Solids:	32.6 ± .3
Use Dilution:	As Is
Coverage, sq. ft.	800-1500
Dry Time, min.	45-60
Protective Clothing:	None required under normal use
Shelf Life:	Two years in unopened container when stored at 50 - 85 degrees F.
VOC Content:	0
Slip Resistance	Meets or exceeds the 0.6 Coefficient of Slip Required for Gym Floors as tested by ASTM D2047 using the James Slip Machine.
MFMA Standards	Meets Standards

Comments:

FAST BREAK may be maintained by dust mopping with a non-oily dust mop, or a dustmop treated with a water-based dust mop treatment, such as DUSTOP. The floor may also be damp mopped with a neutral detergent, such as KLEER 'N BRITE, SPECTRA 4, or SYNTERG CONCENTRATE. If the floor needs to be

burnished, one should use a beige pad with EXPRESS, BURNISHING GEL #27, or MAINTAINER PLUS.

The Padco 18" Big Foot Applicator (Daycon item code 6018H) with refills (Daycon item code 6000) is an excellent application tool for Fast Break applications.

Packed: 1 gallon jugs (4/CASE)
