G-FORCE

Floor Wax and Finish Remover

Description: G-Force is a high efficiency wax and finish remover formulated to remove severe build-ups. Although mechanical agitation is preferable, G-Force can be used as a "mop on - mop off" product if a buffer or scrubber is not available. G-Force can be used on marble, terrazzo, vinyl, VCT, quarry tile, slate, granite, ceramic, and other hard floors. G-Force should not be used on asphalt tile, linoleum, or rubber floors without testing in a small area to ensure damage will not occur.

- Benefits:**
- Reduce time and effort needed to remove finish
 - Lower alkalinity than most buildup strippers
 - No ammonia or strong solvent odor

Specifications:

Appearance:	Clear liquid
Color:	Red
Odor:	Mild solvent
Use Dilution:	1:6
Storage Stability:	Two years minimum in sealed container
Protective Clothing:	See Safety Data Sheet (SDS)
VOC's, % as is:	24
Product Conformance:	Manufactured by an ISO 9001:2008 registered company.

Comments: Floor should be rinsed well with a solution of Ready Neutralizer at 1oz/gal.

Directions: Dilute G-Force at 1 part stripper to 6 parts water. For light finish build-up, a more diluted solution may be used. Mop solution very liberally onto floor. If using a machine, work floor for 5-10 minutes. Pick up with a wet vacuum. Always neutralize the floor with Daycon Ready Neutralizer & Cleaner. For the final rinse, use Daycon Kleer 'n Brite at 1 oz. per gallon of water.

Product Disposal: This is a hazardous material. Dispose of in approved landfill in accordance with local, state, and federal regulations.

Packed:

Packaging/Description	Item Code
Gallon (4 per case)	218723
5 Gallon Pail	GFORCE5GAL
55 Gallon Drum	GFORCE55GAL
