HARMONY

Non-Abrasive Bathroom Cleaner

Description:

Description: Harmony is a mild acid, non-abrasive restroom cleaner designed to remove water spots, mineral deposits, soap scum, scale, and other bathroom and shower related soils from all hard surfaces. It is safe to use on stainless steel, copper, chrome, brass, porcelain, Fiberglass, acrylic, aluminum, plastic and most other surfaces. Do not use on marble, terrazzo, or granite surfaces. Harmony rinses freely and completely. Emits no harmful vapors or fumes.

Benefits:

- Does not give off harmful gasses or vapor
- Safe on most surfaces
- Keeps shiny surfaces looking bright and clean
- Non-abrasive cleaner will not scratch plastic or shiny metals
- Can be used to clean commodes and urinals

Specifications:

Appearance:	Clear liquid
Color:	Lavender
Odor:	Sassafras
Use Dilution:	As is for most heavy-duty cleaning, 1:5 for light-duty
Storage Stability:	Two years minimum in sealed containers
Protective Clothing:	See Safety Data Sheet (SDS)
VOC's, % as is:	0
Product Conformance:	Manufactured by an ISO 9001:2008 registered company.

Comments:

Harmony is a mild acid and should not be used to clean marble or granite.

Directions:

1) FOR HEAVY DUTY CLEANING: Use at full strength (undiluted). 2) FOR GENERAL MAINTENANCE: Use at 1 part Harmony to 5 parts water. 3) FOR DAILY/BULK CLEANING: Add 3 quarts Harmony to 5 gallon reservoir and top with water. Use the diluted solution to fill quart bottles daily.

Product Disposal:

Neutralize with bicarbonate of soda or other mild alkali and dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.
