Industrial Plus is a true, all-purpose, heavy duty degreaser. Not corrosive to metal, and safe on most industrial and commercial paint seals.

Packaging:

1 Gal (4/cs) Item Code: 549649
55 Gal drum Item Code: INDPL55GAL

Date:

December 3, 2018

Description:

Industrial Plus is a heavy-duty degreaser and emulsifier formulated for use in difficult to clean areas such as trash rooms, kitchens, garages, machine shops, warehouses, truck and bus cleaning stations, and public facilities. It can be used in foam apparatus and pressure washers. Highly concentrated; only 4 - 6oz. per gallon of water is required for most uses. Industrial plus may be used in press rooms to remove soy based inks. This product is also an excellent floor finish stripper. Industrial plus is completely biodegradable.

Benefits:

- Pleasant to use, contains no solvents, ammonia, or caustics.
- Holds oil and grease in suspension better than competitive products
- Highly concentrated for economy of use
- Can be used in automatic scrubbers
- Removes exhaust, soot, and road film without solvents or strong alkalis
- Biodegradable
- Removes ink
- May be used as a floor finish stripper

Product Disposal:

Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.

Directions:

For normal duty cleaning, use 4-6 oz. per gallon of water. For heavy duty cleaning, use at 8-12 oz. per gallon of water. Use: Apply liberally with mop, sprayer, sponge or cloth. Allow to stand a few minutes, agitate, and then pick up. Rinse is usually not necessary.
