METEOR Floor Finish Stripper

Description:

Meteor floor finish stripper is a high-efficiency odorless stripping concentrate. It has been certified by Green Seal™ as meeting their GS-40 environmental standard for Industrial and Institutional floor care products based on its reduced human and aquatic toxicity and reduced smog production potential. Its safer low volatile solvent attacks the finish on the floor and not the occupants of the work areas. Meteor floor finish stripper is ideal for use in hospitals, nursing homes, stores, lobbies, or anywhere odor can be a problem. Can be used on heavy buildup and is may be used on marble, terrazzo, vinyl, V.C.T. It is low foaming and can be easily rinsed. Leaves no alkaline residue. Meteor may be used on Crystal Brite or any other Daycon Finish.

Green Certification Statement: This product meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

Benefits:

- Low VOC
- No neutralization necessary.
- Certified by Green Seal (GS-40)
- For use on Green Seal Certified Daycon Crystal Brite and other Daycon Finishes

Specifications:

Appearance	Clear homogeneous, free-flowing
Color	Slight yellow
Odor	Nil
Use Dilution	1:5 for heavy buildup 1:7 for light buildup
Storage Stability	Minimum of two years in closed container
Protective Clothing:	Neoprene or nitrile gloves. Splash proof safety goggles.
VOC's, % as is:	15
Product Conformance:	Manufactured by an ISO 9001:2015 registered company.

Comment:

Ammonia Content	None
Removal Efficiency (ASTM 1792)	Complete
Deleterious Action:	Safe on vinyl asbestos and asphalt tile
Ozone Depleting Substances	None contained in the stripper
APE (Alkyl Phenol Ethoxylate)	
Content	0.0
Phosphorus Content	0.0
Biodegradation (OECD Test No. 301E)	Readily biodegradable, after 28 days 91%

Directions:

This product is recommended to be used with cold water from the tap. 1) Mix 1 part stripper to 5 parts water for heavy build-up or 1 part stripper to 7 parts water for light build-up. 2) Wet mop a section of the floor and allow to sit for 3-5 minutes. 3) Agitate floor with low speed machine for 5-10 minutes. 4) Pick up solution with wet vac or mop. 5) Rinse floor with clean water. For final rinse, mix water with neutral cleaner at 1 oz. / gallon of water.

METEOR - Green floor finish stripper

We recommend Daycon's Kleer 'n Brite. 6) Let -floor dry completely before applying Daycon Crystal Brite Green Seal-Certified finish or other recommended Daycon brand -floor finish.

Product Disposal: This product is non-hazardous material. Dispose of unused product and its container in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.
