POWER PLUS

Heavy Duty Degreaser

Description: Power Plus is a concentrated butyl degreaser formulated for heavy-duty cleaning in garages, auto dealerships, machine shops, metal fabricating plants, warehouses, terminals, institutions, and many other locations. It is an excellent product for cleaning vehicles, machinery and anywhere grease builds up in an industrial setting. Power Plus rinses freely and completely, and can be used in pressure washers, vehicle spray arches and automatic scrubbers. It is effective in all water temperatures.

Benefits:

- Biodegradable formula
- Highly effective on petroleum oils and greases
- Concentrated for economy of use
- Effective in all temperatures of water
- Contains no ammonia or caustics
- Contains no nonylphenol ethoxylates
