Comment:

This product may be used on marble, terrazzo, slate, polished granite, or anywhere acidic products may damage the surface

Packaging:

Quart (6 per case)
Item Code: 586966

Date:

June 28, 2017

Description:

A high foaming cleaner and deodorizer for toilet bowls, urinals, porcelain, and any hard surfaces in restrooms. The product is thickened in order to give more dwell time on vertical surfaces, allowing it to penetrate tough soils and soap scum. This product does not contain any acids or abrasives. The pleasant fragrance leaves the area smelling fresh and clean.

Benefits:

- Removes stains and deposits regular cleaners will not touch
- Safer than muriatic (hydrochloric) acid and more pleasant to use
- Non-Acid/Non-Abrasive
- Pleasant Fragrance
- Thick & Clinging
- For Everyday Use
- Cleans porcelain, glazed tiles, marble, terrazzo, & stone surfaces
- Biodegradable

Pesticide Disposal:

Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.

Directions:

Dispense product through the squirt top directly onto the toilet bowl or urinal surface. Allow product dwell time to penetrate any soils. Wipe with a soft toilet or urinal brush and rinse with clean water. When sponge cleaning porcelain tile or stainless steel surfaces, this product may be diluted up to 1:7 with water. Always rinse solution from fixtures and surfaces immediately.
