# VIBRANCE

## Mild Acid Restroom Cleaner

### Description:

Vibrance is an organic salt that acts like an acid, having a pH of less than one, but is safe for handling and metal surfaces when used as directed. It is certified by Green Seal™ as meeting their GS-37 environmental standard for Industrial and Institutional cleaners. It is non-corrosive when tested according to DOT test methods, is classified as a mild skin irritant, and is biodegradable. Vibrance has excellent lime, rust, and soap scum removal, as well as very good grease removal. It may be used on tub and tiles, shower stalls, glass shower doors, bathroom fixtures, and grout. It will out perform other acid cleaners in cleaning without the safety hazards of skin contact and fumes.

**Green Seal Certification Statement:** This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

### Benefits:

- Green Seal Certified
- Non-regulated product for D.O.T.
- No phosphates or VOCs
- Non-fuming
- Dissolves calcium carbonate buildups
- Does not contain hydrochloric acid, phosphoric acid, or hydroxyacetic acid
- Made-up of components affirmed by the FDA as generally recognized as safe (GRAS)
- Readily biodegradable
