

Technical Information

JET FORCE WASP & HORNET KILLER

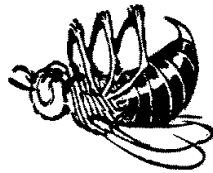

This rapid contact kill and rapid knockdown wasp, hornet and yellow jacket killer contains

Tetramethrins and other active ingredients that literally stop pests in flight. Long-range spray allows killing these insects while standing up to 20 feet above the ground away from their nests. Together with the “instant knock down” effect, this prevents the chances of being stung by attacking insects. A powerful blast valve allows rapid delivery and saturation of nests.

AREAS OF USE

Designed for indoor and outdoor use, with the blaster valve and long-range spray, Jet Force safely controls wasps and hornets in or on:

- Walls & Chimneys
- Telephone poles
- Trees & bushes
- Outdoor lighting
- Decks
- Electric poles
- Schools
- Farms Garages

Remove pets, birds and cover fish aquariums before spraying.

C-005

- Available in a 20 oz. Aerosol can
- Contains Tetramethrin and other active ingredients which, in combination, provide rapid contact kill and rapid knockdown of wasps, yellow jackets and hornets.
- Dielectric strength of 41,000 volts
- Long-range spray

PRODUCT SPECIFICATIONS

Can Size:	20 oz. Aerosol Can
Net Weight:	14 oz.
Color:	Clear
Odor:	Petroleum
pH:	N/A
Propellant:	Carbon Dioxide
Spray Pattern:	Jet Stream
Flammability:	Flammable
Other:	See Directions of Use on Label See MSDS for further safety information
