Comment:

Improper use dilution may result in damage to surfaces and may increase the risk of health effects.

Directions:

Insert bottle into any Daycon Spectra System 3 dilution control system and dispense product accordingly, into the spray bottle. This product is recommended to be used with cold water from the tap and is dispensed at a 1:64 dilution ratio. When using product, plastic surfaces should be wiped with soft, lint-free cloths or synthetic wipers. Paper hand towels can scratch plastic surfaces.

Packaging:

Gallon (4 per case)
Item Code: 106013

Date:

April 11, 2017

Description:

Spectra System 3 Clear Choice-301 is an organic solvent-free, glass and multi-surface concentrated cleaner. It has been certified by Green Seal™ to meet their environmental standard GS-37 for Industrial and Institutional cleaners. It's excellent cleaning and non-streaking performance is a result of state-of-the-art thin film polymer technology. Spectra System 3 Clear Choice-301 is especially good for cleaning glass, Plexiglas®, Lexan®, mirrors, metal, and other shiny surfaces. Spectra System 3 Clear Choice-301 dries quickly and leaves the cleaned surface streak-free and squeaky clean. When diluted 64 parts water to 1 part product, it is designed to clean as a premium glass and hard surface cleaner. Spectra System 3 Clear Choice-301 is readily biodegradable and contains no organic or chlorinated solvents, phosphates, or other harsh chemicals. Spectra System 3 Clear Choice-301 is packaged with dilution-controlled tamperproof inserts. The product is ready for quick-and-easy connection to the Spectra System 3 dispensers.

Green Seal Certification Statement: This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.
