VIBRANCE 307

Mild Acid Restroom Cleaner

Specifications:

Appearance: Clear Liquid

Color: Red

Odor: Detergent

Use Dilution: 1:26

Storage Stability: Two years minimum in sealed container

Protective Clothing: Neoprene or nitrile gloves. Splash proof safety goggles.

VOC's, % as is: 0

Product Conformance: Manufactured by an ISO 9001:2015 registered company.

Comment:

Improper use dilution may result in damage to surfaces and may increase the risk of health effects. Spectra System 3 Vibrance-307 is a mild acidic cleaner and is a mild irritant to the skin. Avoid all contact with the eyes or open cuts. Do not use on marble. Biodegradability is greater than 60% after 14 days.

Directions:

Insert bottle into any Daycon Spectra System 3 dilution control system and dispense product accordingly, into bucket or spray bottle. This product is recommended to be used with cold water from the tap at a 1:26 dilution ratio or 4.9 ounces per gallon of water. Spectra System 3 Vibrance-307 can be mopped or sprayed on surface, then wiped clean.

Packaging:

Gallon (4 per case)

Item Code: 477476

Date:

April 11, 2017

Description:

Spectra System 3 Vibrance-307 is Green Seal™ certified as meeting their GS-37 environmental standard for Industrial and Institutional cleaners. It is an organic salt that acts like an acid and has a pH of less than one. It is non-corrosive when tested according to DOT test methods, is classified as a mild skin irritant, and is biodegradable. Spectra System 3 Vibrance-307 has excellent lime, rust, soap scum and grease removal abilities. It may be used on tub and tile, shower stalls, glass shower doors, bathroom fixtures, and grout. It will outperform other acid cleaners in cleaning without the safety hazards of skin contact and fumes. Spectra System 3 Vibrance-307 is packaged with dilution-controlled tamperproof inserts. The product is ready for quick-and-easy connection to the Spectra System 3 dilution control system.

Green Seal Certification Statement: This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. Acute toxicity met requirements at the as-used dilution, as specified for closed dilution systems. GreenSeal.org.

Benefits:

- Green Seal™ Certified
- Non-regulated product for DOT
- No phosphates or VOCs
- Non-fuming
- Dissolves calcium carbonate build-ups
- Does not contain hydrochloric acid, phosphoric acid, or hydroxyacetic acid
- Made-up of components affirmed by the FDA as generally recognized as safe (GRAS)

Product Disposal:

This product is non-hazardous material. Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.
