# Gentle Wash Pearlized Hand Soap

**Description:** Gentle Wash is a blend of mild cosmetic cleaning agents in a thick, pearl white liquid. It contains no alkali, like most soap, and is effective in hard water. Gentle Wash has a light floral fragrance and forms a dense lather, yet rinses freely and completely. Gentle Wash is coconut oil based and completely biodegradable. Designed for use in all types of bulk liquid soap dispensers, it is suitable for use in all restroom facilities.

- Benefits:**
- Not affected by hard water; leaves no soap scum
  - Viscous formula
  - Lightly scented for acceptance by most people
  - Highly concentrated and forms copious foam
  - Completely biodegradable
  - Rinses freely and easily
  - Coconut oil-based
