RENEGADE

24:1 Floor Finish Remover

Description: Renegade 1:24 Stripper is a super concentrated floor finish stripper. It can be diluted 24 parts water to 1 part stripper and will quickly remove high finish buildup. Renegade is not only fast acting, but it contains very little alkali so it does not need to be neutralized. Renegade also has very little odor at its use dilution, making it possible to work with at any time. At the convenient 1:24 dilution ratio, one quart of Renegade will make up 6 gallons of stripping solution, the amount held in a typical mop bucket with wringer.

Renegade 1:24 Stripper is ideal for use in industrial and institutional settings, such as, schools, grocery stores, hospitals, hotels, nursing homes, office buildings, etc.

Benefits:

- 1:24 dilution ratio
- Low odor
- No caustics
- No need to neutralize
- Rapid removal of high buildup
- One quart makes six gallons stripping solution

Specifications:

Appearance:	Clear Liquid
Color:	Amber
Odor:	Detergent
Use Dilution:	1:24
Storage Stability:	Minimum of two years in sealed container
Protective Clothing:	See Safety Data Sheet (SDS)
VOC's, % as is:	42.2%
Product Conformance:	Manufactured by an ISO 9001:2008 registered company.

Comments: Read Material Safety Data Sheet prior to using this product.

Directions: Pour one quart of Renegade 1:24 Stripper into an industrial mop bucket with wringer. Fill the bucket with water up to the 6 gallon mark. Mop the solution on the floor and allow 5 minutes for the stripper to work. Scrub with a black or High Productivity pad and then pick up with a wet/dry vacuum. Damp mop the floor with 1 oz. Kleer'N Brite per gallon of water, and let the floor dry. The floor is now ready for new finish.

Product Disposal: This is hazardous material. Dispose of in approved landfill in accordance with local, state, and federal regulations.
