ECO SUPREME

PROFESSIONAL SERIES

ECOSUPREME FLOOR FINISH 25

A high solids finish that produces unrivaled gloss and burnishing response.

- Easy to apply
- Levels and dries nicely & quickly
- Burnishes beautifully (gloss meter readings well above 100)
- Zinc-Free, Low VOCs, Phthalate free, APE free
- This product meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.
- This product is third party certified under United Laboratories EcoLogo (ULE) program.

ECOSUPREME FLOOR FINISH REMOVER

A high-efficiency, odorless stripping concentrate.

- Its safe, low volatile solvent attacks the finish on the floor and not the occupants of the work areas.
- Ideal for use in hospitals, nursing homes, stores, lobbies, or anywhere odor can be a problem.
- This product meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

ECOSUPREME NEUTRAL CLEANER

A high performing, pleasant smelling, neutral cleaner.

- Removes dirt, oil, grease, food, beverage spills, and other soils from finished floor surfaces without dulling softening, or discoloring.
- Safe to use on unfinished marble, slate, and sealed wood.
- This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

ECOSUPREME FLOOR FINISH MAINTAINER

A high or low speed maintainer for acrylic and acrylic/urethane floor finishes.

- Provides high gloss and a wet look, it is also an excellent cleaner.
- Can be used as a mop on product.
- This product meets Green Seal™ Standard GS-53 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

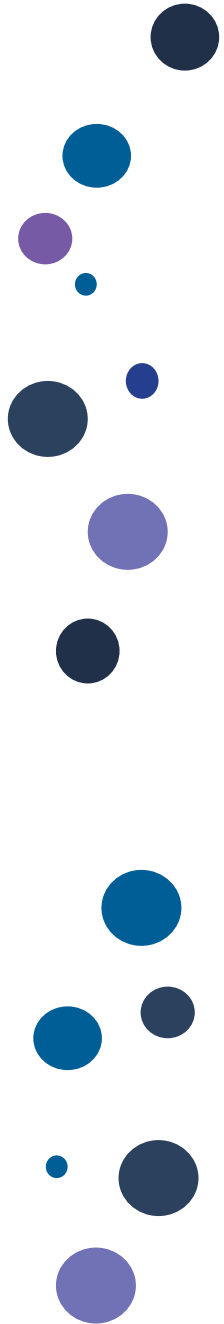

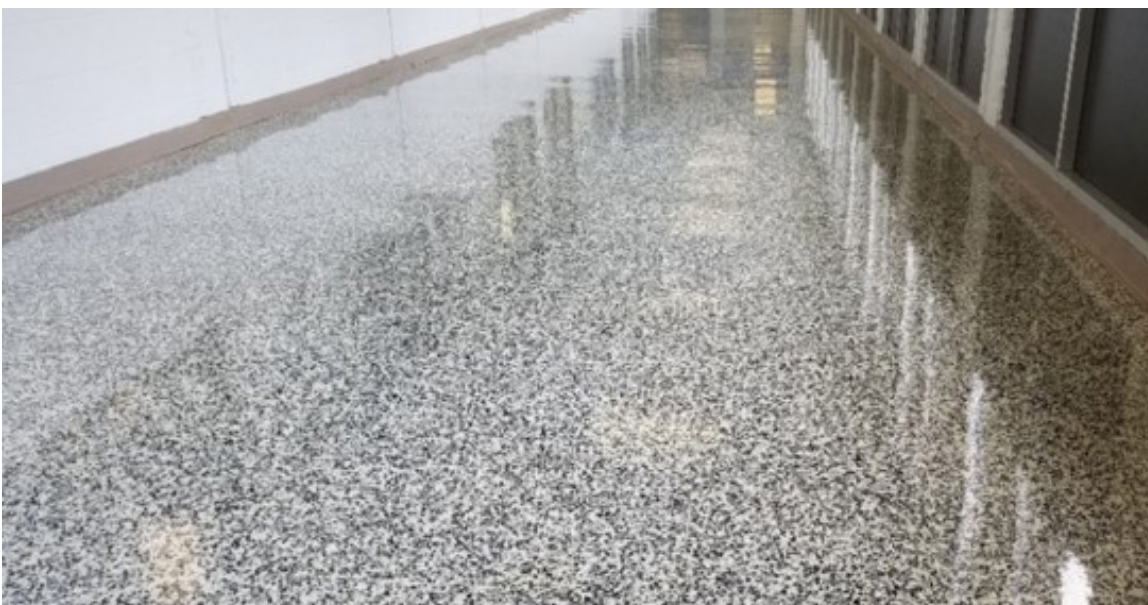

ECOSUPREME HEAVY BUILD-UP FLOOR FINISH STRIPPER

- A powerful stripper that is very concentrated, fast-acting, low odor, and contains very little alkali so it does not need to be neutralized.
- At a convenient 1:24 dilution ratio, this product can be easily diluted by using 1 bottle per typical mop bucket with wringer or 6 bottles per 30 Gal. Brute® trashcan.
- We recommended this product for a one-time use at the beginning of the program to make sure all existing finish is thoroughly removed to promote the success of the EcoSupreme Floor Care Program.

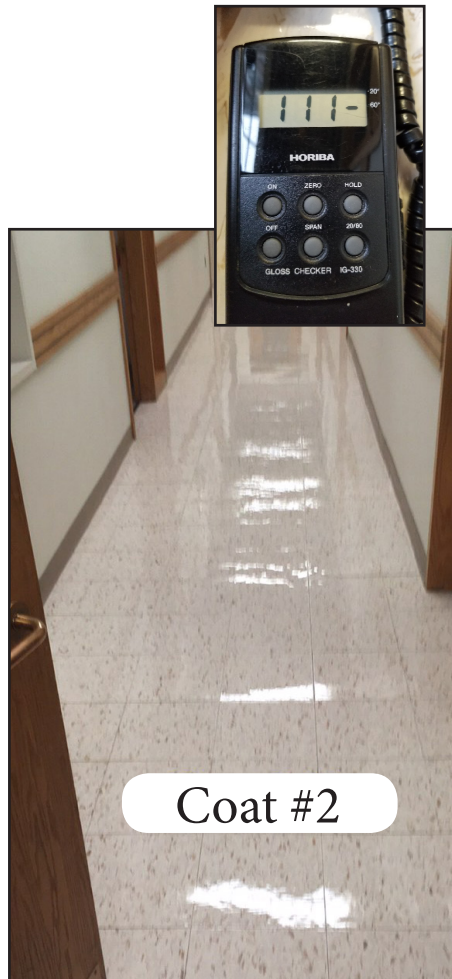

EcoSupreme Professional Series: Innovative floor care products that are safe, high quality and easy-to-use and maintain.

And it just so happens to be the most stunningly brilliant product we've ever seen!
